REPUBLIC BUILDING. SPRINGFIELD, OHIO.

Telephone No. 250, FRIDAY EVENING, MARCH 4, 1887.

THE PURPOSE OF THE POLICE JUDGE

The REPUBLIC has, from the commence eratic scheme, conceived to assist the mem- ernor Hill. bers of that party in retaining control of our city government. We do not mean by this so that he may enjoy a salary of \$8,000. that the party, as a party, originated the plan. Such a governor as he is, is worth the but that the scheme was concocted by cer- money. tain leading and prominent democrats, and it it is now made part of the party platform. The evidence is abundant to sustain such a conclusion, and it accumulates as the day of the election draws nigh. First, we find that the bill was discussed and matured by leading democrats. The two plans: first, providing for a salaried mayor and police judge, such as was agreed upon, and second, a salaried mayor and a and double-turretted monitors, police commission - were fully discassed and the merits of each, as a party measure, well digested, before the Some Good Suggestions to Lot Owners in scheme was at all made public, and when everything was ready it was presented and agreed to by a democratic council, and the legislation of the Editor of the Republic:

To the Editor of the Republic:

I desire to call the attention of those who divide into six farms running to free etty solicitor was instructed to draw a bill own lots and monuments in our beautiful tumpikes, and all having good water and embodying the points agreed upon: the reing nothing to do with the bill other than to draw it as instructed. grounds.

ferred, was found to be not well adapted to the democratic purpose, that purpose being be in a measure an answer; but such is not to obtain, and maintain, full and complete the fact, nor is it likely to be very soon, it Charleston and 7 miles from Springfield, the fact, nor is it likely to be very soon, it Under the provisions of the law now before the people, the mayor retains the police and fire department within his grasp: under the other bill those departments would be controlled by the non-partisan and respectable, a still stronger motive is added by our regard for the memory of our democrats, and taken out of polities. The democratic schemers thought.

But these lots and monuments will not the farm for its own use; within three or four hundred yards of a good school-house; ordinary dwelling-house within 2 miles of railroad station.

Title in both farms perfect. Our price tiles. The democratic schemers thought take care of themselves. to divert attention from their purbut at the same time, stating that there were constitutional impediments in the way of the passage of such a bill. As a result of this, the bill now under consideration was approved as being preferable to the present fee system. But there is no constitutional for the present fee system. But there is no constitutional fee system feels are feeled for the action of nature of the action of nature of the precession given at once. defy foreer the powerful forces which are so constantly at work to weaken and throw them down.

I believe that many who have provided in Ferneliff a last resting-place for themselves and their kindred, would gladly insure their grounds and improvemens against their grounds and destroying influences. They know that they cannot be always on the shot to watch the beginning and progress of decay, and do not forget that their own personal care can, at the best, continue that with a good nomination and a united party, the republicans would elect their candidate this spring. In an attempt to promote the democratic prospects the present bill was brought forth.

The question is asked, "How will this less to be expected that those who may come after them should do what they have falled to accomplish.

Now, if each lot-owner will bequeath a few hundred dollars to the Ferneliff cemestry association, in trust, as a sacred and search of the Pennsylvania control of the Pennsylvania control of the proportion of the southern points, and offer you can be always on the shot own personal care can, at the best, continue that their own personal care can, at the best, continue that their own personal care can, at the best, continue that their own personal care can, at the best, continue the southern points, and day come after them should do what the election of a few hundred dollars to the Ferneliff cemestry and south of the Ohio river within ten days and will be good for return passage until their grounds and improvements against the form of the south of the Ohio river within ten days and will be good for return passage until their days from date of sale.
